

Fee Free Automotive Pre-Apprenticeship Course

ATEL, in partnership with TAFE NSW Riverina Institute are offering an exciting opportunity to develop the experience and skills that will help you in gaining a job in the automotive field.

If you want to kick start your career in this industry, then this nationally recognised statement of attainment in automotive is for you. You will learn a mixture of theory and hands on practical skills that will have you work ready on completion of the course!

ATEL will endeavour to arrange work placement on completion of the course to give you the best chance of securing an apprenticeship. On successful completion of the skillset, you will gain four units of competency that will be applicable to future qualifications in the automotive trade you may undertake.

Course Dates:

5 November - 22 November 2018

Classroom: Monday - Thursday, 9:00am - 3:30pm

Work Placement (Monday - Friday)* For students who attended the course on a regular basis and have displayed a high level of competency.

Venue

TAFE NSW - Riverina Institute Wagga Wagga Campus

Entry Requirements

Students must be between 15 and 40 years old at the time of enrolment

Have left school

Meet the smart and skilled student eligibility criteria

Meet the apprenticeship and traineeship applications approval requirements

Automotive Pre-Apprenticeship Course

UNIQUE STUDENT IDENTIFIER (USI)

From 1 January 2015, all students studying qualifications are required to register for a Unique Student Identifier (USI) before enrolment. The USI is a Government initiative that will allow you to access all your training records in one place. TAFE NSW Riverina Institute requires your USI to complete your enrolment. To create your USI, simply follow the steps on the USI website (www.usi.gov.au). It's quick, free and you will only need to do it once.

UNITS OF COMPETENCY

Course subjects are called units of competency. You will need to complete the units of competency listed below to be awarded this Statement of Attainment in **Automotive**. Listed below are the units of competency available through this campus. There may be more units of competency associated with this qualification which could be delivered through this campus.

UNIT	UNIT DESCRIPTION
AURASA002	Follow safe working practices in an automotive workplace
AURTTA004	Carry out Servicing operations
AURTTK002	Use and Maintain tools and equipment in an automotive workplace
AURTTE004	Inspect and service engines

*This training is subsidised by the NSW Government for eligible students.

**To be eligible you must be: An Australian citizen, Australian permanent resident, Australian permanent humanitarian visa holder or New Zealand citizen; no longer at school; living or working in NSW; aged 15 years or over.
